

Antique Headpiece Tiara With Pompoms And Glass Beads 19th Century

300 EUR

Period : 19th century

Condition : Bon état

Description

Antique headpiece, diadem or tiara in gilded metal called pomponne and amber-colored glass beads. This jewelry was attached to a comb which is no longer present but the hinge is still in place. Certainly from the first half of the 19th century. Good condition, micro traces of oxidation, the gilding has slightly grayed at the welds. Dimensions: width at the bottom 8.5 cm, width at the top 12.1 cm, height 4.3 cm.
