Description

Antique French - Miniature Biedermeier Style Wood Veneer Doll Cabinet - Bird's Eye Maple
Installment payment available. One of our new finds during our antique hunt in France. A magnificent miniature Biedermeier style wood veneer masterpiece--most likely made as a final work by the skilled hands of a master carpenter. Comprising three delicate drawers and two finely crafted doors, each element is carefully made to scale and fully functional. A tiny lock and key are still present, although the mechanism has become inoperable over time. A true treasure to enhance your home, whether as a choice accessory for your elegant dolls or as a charming display case for your favorite jewelry. This unique miniature cabinet is much more than a piece of furniture--it is a whisper from the past, a testament to
