first with the architect Henri Conan, he became a teacher at the École of Art where he worked from 1970 to 1996. At the beginning of his career, his work was marked by abstract art, then he asserted figurative subjects painted on the motif. The Breton departmental museum has a beautiful collection of ceramics of 19 pieces modeled, glazed and decorated by Jean-Paul Jappé in Keraluc in 1960" cf keraluc.com
