

Ancient Saint Louis Crystal Bottle

80 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

Height : 25

Description

This heavy faceted crystal bottle is marked St Louis on the bottom. I cannot tell you the model; despite having conducted some research, I have not found corresponding bottles currently available for sale. Therefore, I do not know if the stopper is original or replaced. There are some light signs of wear, a small chip on the stopper (see the last photo), but no major flaws.
