Metzinger, Picabia, Rassetti etc... Bron also exhibited regularly in the Province. He then met Paul Madeline who gave him some lessons but above all became his best friend, as evidenced by the many works by Madeline or Bron that they dedicated to each other or to their respective wives, they very often painted on the same motifs. However, we know that Bron came very regularly to Haute Vienne, notably to paint the banks of the Vienne or Briance, but we have no proof that he followed Madeline to Creuse. On the other hand, Bron partly adopted Madeline's technique and palette, to the point that their works were sometimes extremely close.
