Description

Black and yellow ceramic vase with handle signed Elchinger under the foot. Height: 23 cm, Width 14 cm Depth: Neck of the vase 9 cm; foot of the vase 6.5 cm We love the elegance of this pitcher vase, a unique piece with geometric decorations and the use by the ceramist of this sunny yellow which brings a real touch of pep to the object. Céramiques Elchinger is a family ceramics manufacturer based in Soufflenheim in Alsace which operated from 1834 to 2016. Carried by the craze for Vallauris ceramics, the Alsatian manufacturer achieved a strong reputation with its productions from the 1950s-1960s. These creations, vases and pitchers with refined shapes, stood out from the exuberant creations of the workshops in the South.
