### Description

This Kirman rug is from the early 1900s, Persian. This scene of an offering, during the passage of a caravan, of a rich merchant is filled with hope. (With delicate glances). The finesse of this Kirman rug allows the perfection of the curves and costumes of all the characters. Two beautiful cartouches of poems surround the garden of this rug. This rug is surrounded by a richly flowered border. It could be a very beautiful painting. We will point out a general wear of this rug.
