1 300 EUR

Period : 19th century

Condition : Très bon état

Length : pendule 28 cms

Height : hors tout pendule 42 cms

Description

A rare mantelpiece set consisting of a portico clock with its two candlesticks in good condition. This Louis 16 Directoire style model is from the late 19th century, circa 1880. It is enhanced with Limoges enamel medallions in bronze cartouches. The sea green marble is in good condition. The Parisian movement is in working order. No losses or chips.
