700 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

This vintage 14-carat gold cluster ring is a striking piece, featuring a captivating combination of opal, sapphire, and enamel detailing. The central opal, measuring 10 x 8 mm, showcases the vibrant play of colors that opals are renowned for, making it the focal point of this elegant piece.Surrounding the opal are ten small old cut sapphires, each approximately 0.10 carats, with a total estimated weight of 1.00 carat. The deep blue of the sapphires provides a beautiful contrast to the opal's iridescence, enhancing the overall brilliance and appeal of the ring.Adding to its uniqueness, the ring is adorned with a fancy blue enamelled scroll surround, which adds an extra layer of detail and sophistication to the design. This enamel work complements the gemstones, further emphasizing the ring's vintage
