

18th Century Venetian Mirror In Gilded Wood, Cobalt Blue Glass Surround

1 280 EUR

Period : 18th century

Condition : Etat d'usage

Material : Gilded wood

Width : 50 cm

Height : 110 cm

Description

Beautiful rectangular beveled Venetian mirror, 18th century, in gilded wood; mirror decorated around its edge with cobalt blue tinted glass, pretty interlacing decoration and acanthus leaves. The whole gives this mirror all its majesty. Venice presented itself during the Renaissance as the epicenter of mirror making, developing extraordinary know-how there.
