Description

This set consists of a large and heavy ice bowl made of hand-cut crystal with a diamond pattern; inside it, there is a small smooth crystal bowl designed to hold caviar, and a silver-plated metal radiating stand that connects the two bowls. The set includes a rectangular tray, also made of heavy cut crystal with a checkered pattern, designed to hold serving utensils. Two bottle coasters and two glass coasters made of cut crystal, which are not strictly part of the set, have been added--they can be useful at the table as bottle and glass coasters. More
