Pair Of Antique Stemmed Glasses In Bohemian Red Crystal

100 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Diameter : 8 du buvant

Height : 20

Description

A pair of glasses with a slender faceted transparent stem, while the tulip-shaped bowl is a beautiful intense ruby-red color. The lack of markings prevents a certain attribution of origin, but I assume it is a Bohemian or French production from the second half of the 20th century.
