### Description

Oval dish in Limoges porcelain, fish decoration, Late 19th century, early 20th century. Oval dish in Limoges porcelain, with hand-painted decoration representing two fish swimming in a stylized aquatic environment, enhanced with water lilies and submerged foliage. The scene, treated with a remarkable sense of movement and a naturalistic palette, reflects the taste of the late 19th century for elegant and decorative animal compositions. Marked on the back "PL Limoges France". Wear from use, some scratches.
