Description

This antique double-ended scent bottle is a beautifully crafted piece that combines the elegance of cut and etched lead crystal glass with the refinement of silver detailing. The crystal glass is intricately etched to depict two women figures surrounded by floral motifs, showcasing the fine artistry and attention to detail that characterizes antique glasswork.Measuring 14 x 3 cm, this scent bottle is compact and designed for practical use while being an exquisite decorative item. The double-ended design is both functional and elegant, allowing for two different scents to be stored simultaneously, which was a common practice in the 19th and early 20th centuries.The silver engraved detail adds a touch of luxury and complements the clarity and brilliance of the crystal. The silver caps or fittings are likely to
