Description

White stone element carved on top of column worked on the 4 faces. Griffins or winged dragons in symmetry their tails cross and intertwine on the other face and end in the mouth of a head with wild animal or devil ears. Above a frieze of undulating stems with ivy leaves or stylized vines. On the top a forged metal bar (can be removed) was used either for fixing or was an old consolidation to maintain the stone. The architectural element is in used condition. POSSIBLE SENDING, careful reinforced packaging, registered with signature, insurance and tracking on the internet by its number (flat rate shipping costs).
