Description

Superb chandelier with plates from the Art Deco period around 1925/1930, composed of 5 pressed glass plates with geometric patterns, small glass cabochon in the center of the lower part. The structure is in silver-plated bronze, slightly oxidized by time. I point out that one of the 5 plates was previously glued back on, quality repair (see photos) plan for total electrification or, I can possibly take care of replacing all the wires For a budget of 200EUR. Total height: 88cm Diameter: 51cm Contact me for transport in France and worldwide
