Description

"Lombard Chest Of Drawers Late 1800s In Louis XV Style" This Lombard chest of drawers from the late 1800s perfectly embodies the charm of the Louis XV style. Expertly crafted, it is made of walnut and olive wood, enriched with beautiful rosewood inlays. The curved sides give this piece a refined look, ideal for adding a touch of class to any space. In good general condition, it features a beautiful patina that adds authenticity and history to the furniture. However, to preserve its original beauty, it requires some conservative restoration, which can be carried out in our specialized atelier.

Features and Dimensions The chest of drawers measures 104x52xH85 cm, making it suitable even for smaller spaces. The two spacious drawers provide practicality without compromising the elegance of the design. This

piece is perfect for those seeking both aesthetics and functionality, adding a touch of sophistication to their home.

A Piece of History This Louis XV style chest of drawers is not just furniture, but a piece of history reflecting the refined taste of 19th-century Lombard homes. The exquisite inlays and curved finishes showcase the meticulous attention to detail typical of the period. It is the ideal addition for those who appreciate the charm of the past and wish to bring a timeless art piece into their home.
