## Art Nouveau Mahogany Display Cabinet 1900 Maison Guérin Paris

2 400 EUR

Period : 20th century

Condition : Bon état

Material : Mahogany

Height : 1 m 60

### Description

Art Nouveau collector's display cabinet circa 1900 attributed to the Georges Guérin house Faubourg Saint-Antoine Paris (see photo of a similar model sold at auction) Carved and molded mahogany structure opening on the front by a glass door decorated with a large flowering branch in gilded bronze, glazed interior with a central shelf in translucent glass. The sides are decorated with asymmetrical side shelves supported by sinuous uprights extending at the top by a pagoda niche with a sculpted floral motif, surmounted by a tray, the lower part is animated by a crotch shelf forming a niche with a sinuous frame, the whole resting on arched feet. Good general condition, with its key. Dimensions 1 m 60 high x 90 wide x 40 cm deep. Reference for a similar model: HÔTEL DES VENTES de
