

## Menpo Tengu Samurai Armor Japanese Yoroi

1 950 EUR

Period : 18th century

Condition : A restaurer

### Description

Genuine Tengu-type Menpo - Authentic and Rare Piece I offer here an authentic Japanese Tengu-type Menpo, with a striking and traditional design. This face mask, used by the samurai, is a rare piece, entirely period and original. Exterior finish: deep black lacquer, typical of Japanese war masks Interior: blood red color, faithful to traditions to evoke power and vitality Whiskers: long, original, with some losses due to time, adding to the historical character of the piece Yodarekake: four-lamella throat protection in black lacquered iron, old laces, worn on the first lamella Despite some small defects related to age, this Menpo remains entirely original, without modifications or modern restorations. It is ready to be displayed as is for lovers of raw and authentic pieces, or to be restored according to
