Description

Louis XIV Coffee Grinder with its crank. The grinder is complete: Block + crank (original) + drawer (the latter seems later). It is mounted on a wrought iron base decorated with 4 olive-shaped feet. The base of the body is square in section, the upper barrel is octagonal. A peripheral groove decorates the base of this one. Characteristic shape of this type of grinder. The drawer opening ring is made of brass. The body seems to be made of walnut and the front of the drawer is made of mahogany. Under the lid, it bears a manufacturer's mark to be identified. Height without crank 19 cm, width 8.5 cm
