Description

Life-size chestnut wood sculpture by Roland LAVIANNE (1948-2022). Early work, circa 1980. Simplifying the lines to the extreme, Roland LAVIANNE develops a powerful play on volumes, shapes and lines, using light as a key construction material. Roland LAVIANNE conveys a real mastery of the balance of volumes and lines of force. The figures, motionless but dynamic, seem lost in a theatrical conversation suspended forever.
