### Description

Antique leg of lamb carving set, consisting of two pieces of cutlery, a lever fork and a knife, with deer or roe deer antler handles. Blade marked: Châtellerault-Domine Factory. The lever fork allows for good support of the piece of meat during carving. Condition: Some stains on the steel, but the set remains in good condition considering its age, late 19th or early 20th century. Knife length 46.5 cm. Fork length 43 cm. Unusual cutlery for a cabinet of curiosities. - This item is for immediate purchase, payable by Paypal, we also accept bank transfer or French check. - We refuse sales by telephone, the sale will only be made by email or request via the Proantic messaging service. - We ensure careful shipping of our items, with insurance and tracking.
