Description

For pierced ears. Yellow gold earrings formed by a swan-neck hook that supports two fine, filed, curb-link chains, each holding a small medal engraved with a feminine motif. Period: 20th century. Main material: yellow gold, 750 thousandths, 18 carats. Proportions: Height: approximately 5 cm, width: approximately 14.8 mm, thickness: approximately 1.3 mm. Net weight: approximately 2.6 g. Antique jewelry - Work from the 1900s. Our opinion: Feminine and elegant, the gold medals set on these antique earrings are both different, which gives these earrings originality.
