Total weight of the citrine: approximately 39 carats. Proportions: Height: approximately 3.2 cm, width: approximately 1.8 cm, thickness: approximately 14.2 mm. Net weight: approximately 11.3 g. Pendant sold alone without its presentation chain. Authentic antique jewelry - French work from the 1980s. Our opinion: Imposing, the citrine on this retro pendant has a briolette-cut culet which gives it a deep color and captures the light wonderfully.
