### Description

Magnificent professional furniture, "American Cabinet Sterilized" in natural oak from the early 20th century. Ideal furniture for collectors of small objects, medals, coins, stones, knives, jewelry ..... This piece of furniture was originally used by dentists to sterilize and store their accessories. It has many drawers and storage space closed by wooden curtains, or doors (those at the top have their original glasses with "sterilized" engraved in relief). The furniture is placed on solid wooden and metal casters. The furniture has a beautiful natural patina, it has been revised in our workshop, it is in very good condition, clean, ready to be used. Its dimensions in cm: 117 x 45. height 163 This article is also visible in my store in Belz, in Morbihan in southern Brittany where you can, if you wish,
