Description
-------------

Nice little set of two plates, small format, one flat, octagonal in shape, the second hollow, round in shape with a scalloped border. They are each ornate with a different decoration, lake landscapes and pagodas in blue and white. Pretty authentic blue paste of the porcelain of the period, rare to find in these formats. Good general condition, the flat is Mint, the hollow has 2 hairlines on the edge, and some micro chips on the rim, as often on fine 18th century porcelain. Everything is clearly mentioned in my detailed photos, please look at them carefully, I am not hiding anything!
