

Important Candlestick, 18th Century Bronze Torch Mounted On A Lamp Base, H 60 Cm

150 EUR

Period : 18th century Condition : Très bon état Material : Bronze Height : 60 cm

Description

Antique large candlestick, 18th century bronze torch later mounted as a lamp base and electrified. Baluster shaft, tripod base ending in lion paws. European origin, perhaps Dutch... Beautiful patina, with still some green traces of candle; functional electrification, the old bayonet socket has been changed for a more standard E27 socket. Excellent condition. Height to the middle ring of the socket = 60 cm. Height of the candlestick alone = 52 cm Width at the base = 19 cm Weight = 3.680 kg! A very careful shipment is possible, in addition, to be defined according to destination...
