Description

Wrought iron iron with ingot - 18th century
Complete iron, presence of its ingot. Its originality lies in its decoration, both at the foot of the columns and at the door. Each column is turned in the lower part, at the foot of each a brass rosette completes the decoration. The door is equipped with a knob inserted on the same brass rosette. The top of this door is guilloché. The wooden handle is original. Object in perfect condition, no missing parts, no repairs. See the detailed photos which are more telling than any text.
