Description

Quick descriptionAmazing and old sculpture, woman with bare breasts circa 1800. Made in oak, a work of folk art of deliciously naive workmanship. Probably part of a sign or cart, two dogs protect this pretty woman. The whole has suffered the ravages of time, having probably been outside for decades. Original polychromy and wonderful patina, still solid, lightly cleaned and protected with a suitable veil of oil. Dimensions 43cm high, 19cm wide and 15cm deep. Price 550EUR Contact us
