

Sainte-radegonde Double Light Lamp

320 EUR

Signature : Sainte Radegonde

Period : 20th century

Condition : Bon état

Material : Ceramic

Diameter : 22

Height : 42

Description

Double-light lamp from Sainte-Radegonde. This one is made of red-tinted earthenware rather than the usual green. A light bulb is placed inside the base to create a warm ambiance. It is signed underneath. The wiring has been redone; the lamp is sold without a shade. The dimensions given are those of the base alone: 42cm high at the socket, with a diameter at its widest point of 22cm.
