

Asian Decor Jewelry Box

150 EUR

Period : 19th century

Condition : Etat d'usage

Material : Paper

Description

Pretty black lacquered box/case with Asian decoration - Japan, 20th century period. Charming little box or case, probably intended to hold jewelry. Made of black lacquered wood, it is decorated with a delicate Asian decoration, probably Japanese, representing two young women in a traditional landscape. The whole is in good condition; note that one of the corners has a visible chip (see photos for more details). Do not hesitate to contact us for any further information:
