## A Pair Of Very Comfortable Wingback Or Fireside Armchairs.

450 EUR

Period : 20th century

Condition : Bon état

Width : 70 cm

Height : 88 cm

Depth : 83 cm

Description
-------------

A pair of armchairs in bergère or chauffeuse style upholstered in slightly patinated ivory-coloured velvet. We have not made any attempts to clean them, as we are not fabric specialists and the operation does not seem necessarily necessary to us. (see photo). Resting on a turned beech wood base, they are very comfortable. The repairs on one of them to the front legs do not affect their solidity at all. They date from the end of the 19th century or the very beginning of the 20th century, around 1900. Seat heights: 43 cm
