Finely Engraved Gourd Dated 1852

280 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Diameter : 11 cm

Description

Engraved on all sides and dated 1852 in a shield. A man in profile bust in a floral surround surmounting a particularly successful and precise rosette decoration. On the other side, a woman in her interior in passementerie in the upper part and a house and a horse pulling a cart in the lower part. The object is miraculously in its original condition.
