Description

This work makes us think strongly of Lucien Lafaye (1895-1976) although the sculpture does not bear a sign, it is made of molded glass, it represents a delicate female face. The whole thing weighs a lot. The work is in good general condition, note scratches from use, no shock, no crack. We report a defect on the edge with a polished part. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
