

Maison Baccarat Set Of Two Black Onyx Crystal Vases, Circa 1880

6 500 EUR

Signature : Maison Baccarat

Period : 19th century

Condition : Très bon état

Material : Crystal

Height : 30 cm

Description

Rare set of two black onyx crystal vases from the house of Baccarat, the refinement of the decoration of these two vases is reminiscent of the Japanese repertoire, composed of geometric friezes, stylized flower buds. One is wheel-engraved and enhanced with gold, the second is more technical because it technically includes the same decoration, this time enhanced with polychrome enamels applied hot. Maison Baccarat circa 1880.
