## Parisian Wardrobe (renovated)

700 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Oak

### Description

Renovated Parisian wardrobe with hanging space in oak. Materials: oak. Features: This Parisian wardrobe opens with two doors. Inside, it is divided into two parts: on the left side, it has a shelf (fixed) and a hanging space; on the right side, it has five shelves (they are not fixed and can be removed but are not height-adjustable). The door key is no longer functional but the doors close properly. Renovation: This Parisian wardrobe has been completely sanded, both inside and out. On the outside, it has been protected with a colorless wax. Inside, the bottom of the wardrobe has been painted in Farrow & Ball's Down Pipe lead gray color. Finally, the wardrobe has been completely washed. Condition: solid, sound and stable. Dimensions: L124 x D52 x H176. Left side: L58 x D45 x
