Description

France / 1920 / Pair of nightstands / wood and black marble / Art Deco

Beautiful set of French nightstands crafted in the 1920s. These nightstands feature a stunning geometric design that embodies the elegance and glamour of the Art Deco era. The rich, polished wood finish, stunning marble tops and the special vertical doorhandles not only add warmth to your space but also highlights the intricate craftsmanship that sets these pieces apart.

Each nightstand is equipped with a spacious storage compartment behind a door with rounded edges, providing ample storage for your nighttime essentials while maintaining a sleek silhouette.

One of the compartment has porcelain walls where in a begon era people could place their

chamber pot. Both pieces have a very rare black marble tablet on top that enhances the luxurious feel of this set. This kind of marble is very rare and no longer available. In good vintage condition with minor traces of use.

The sleek lines and bold shapes make these nightstands a perfect complement to both Mid-century modern interiors and vintage decor styles, ensuring they will be a timeless addition to your home. The beautiful marble tops make this set a one of a kind.
