Description

- Oil on canvas.- Known primarily for his dedication to the marine and port world, René Marie Dujardin possesses a sober and elegant style with which he devotes himself to the representation of nautical reality. In this scene distilled with an austere and overwhelming chromatism, a small fishing boat approaches, after weeks of stifling navigation through impenetrable whitish immensities, finally, an indeterminate coast.- Dimensions of the image without frame: 100 x 125 cm / 115 x 140 cm with original frame.- Galerie Montbaron attaches to all its lots a technical sheet drawn up by a qualified art historian. This form is sent in digital format and on request.
