Description

Very elegant pair of Empire period candlesticks with Paris guarantee hallmarks for the period 1798-1809. They are made of solid silver of the first title 950% and are in perfect condition despite their two centuries of age. The nozels are original and are detachable. The master goldsmith hallmark is that of Jean-Pierre Nicola Bibron, goldsmith in Paris since the end of the eighteenth century. They weigh 620 grams per pair.
