### Description

Large 6-leaf screen dating from the end of the 19th century. A very beautiful screen with six rectangular leaves, with panoramic painted decoration of a coastal edge animated by numerous characters and boats in the upper part and trompe l'oeil woodwork in the lower part. This is a very beautiful decoration painted on paper mounted on canvas and placed on a wooden structure. Probably inspired by the famous panoramic papers of the Zuber factory. A lift on the lower part of about 6 cm easy to restore, visible in the photos. Very good general condition, the colors are very fresh. A superb and very decorative screen. Please note this is not a print but a painting on paper, a large painted decoration. Dimensions: H: 180 - W: 48 for each leaf. approximately three meters long. We deliver
