

Small Old Wooden Bench, Country Chic (renovated)

110 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Solid wood

Description

Small antique bench in raw wood with a chic country feel. Materials: raw pine. Characteristics: this small antique bench consists of a seat and two legs. Renovation: this small antique bench has been sanded to remove its original brown and faded varnish, while leaving it with the patina of time. It was then treated against wood-eating insects. Condition: this small antique bench has traces of its past lives, consistent with its age, which add to its charm. Dimensions: L93.5 x D21 (29) x H41. This small antique bench with its simple lines will be perfect in an entrance hall or at the foot of your bed.
