Description

Elegant Florentine corner wall shelf dating from the second half of the 19th century, crafted in finely carved wood and gilded with gold leaf. The rich and dynamic decoration features foliate motifs and rocaille scrolls, with a crisp, sharp carving typical of the Tuscan style of the period. Its triangular shape allows perfect placement in corners, making it ideal for entrance halls, stairwells, or angled interiors. The top surface is designed to support a vase or decorative object. Measurements: 34 cm (corner width) x 43 cm (height). The piece is in very good condition, showing only minor signs of wear consistent with age. Worldwide shipping available.
