Description

There is a beautiful emotion from this oil on canvas from the 1930s, two workers are busy on a lathe. This painting is signed F. Saint Pasty, but without certainty the signature is difficult to identify. It was painted with a knife with a material that stands out slightly. The quality is there, the work is powerful. The work has been cleaned and is in good general condition. We note classic wear of time on the frame as well as small wear of paint on the bottom of the painting at the bottom right (see photo). For the condition please detail the photos. The photos are an integral part of the description. Dimensions: Frame Height: 70 cm Width: 83.5 cm Oil Height: 59 cm Width: 72 cm A4364
