Description

France / 1920 / Wall lamp / metal, glass / Art Deco

Elegant wall scone in typical Art Deco style made in France around 1920. This wall light has a metal frame holding a frosted molded-pressed glass shade with floral decorations.

This wall light was designed to blend seamlessly with any decor while providing a warm, inviting glow. Perfect for hallways, living rooms, or bedrooms, this wall light not only serves as a practical lighting solution but also adds a touch of roaring twenties feeling to your interior.
