Description

France / 17th century / candlestick / copper /
Antique / Rustic

Antique copper candle holder from the haute époque period. Hand crafted in France in the 17th century. This rare candlestick has a baluster stem and hexagonal base. This rare to find piece has very nice patina due to its old age.

This antique candle holder boasts a lustrous finish that reflects light beautifully, creating a warm and inviting ambiance in any room. The delicate design features intricate detailing that adds a touch of sophistication, making it a perfect centerpiece for your dining table or a charming accent on your mantelpiece.
