

## 19th Century Plaster Capital

1 200 EUR

Period : 19th century

Condition : Très bon état

Material : Plaster

Width : 25 cm

Height : 30 cm

Depth : 25 cm

### Description

This beautiful plaster capital displays a clearly classical style. Its inverted conical form is decorated with stylized acanthus leaves and palmettes, typical motifs of Greco-Roman architecture. The reliefs at the base suggest stylized stems or palm leaves, emphasizing the vertical movement of the piece. Probably made for decorative or educational use based on 2nd-3rd century models, it reflects a lasting admiration for classical beauty.
