### Description

This Scandinavian teak dining table from the 1970s is a perfect example of clean and functional design. With its four spindle legs and a tapered apron, it embodies the understated elegance of Scandinavian style. Teak, a wood renowned for its durability and natural beauty, adds a touch of warmth and sophistication to this piece of furniture. The two integrated extension leaves allow the table to be extended to accommodate up to eight guests, providing ideal flexibility for dining with family or friends.

Whether for an intimate dinner party or a large gathering, this table adapts to any occasion while maintaining its minimalist and refined aesthetic.
