

## Pair Of Louis XVI Period Vases

8 500 EUR

Period : 18th century

Condition : Etat d'usage

Material : Marble

Height : 25

### Description

Pair of Louis XVI period vases, in Napoleon Grand Mix marble, with gilt bronze mount. The handle in the form of branches intertwined with laurel leaves follows the pot-bellied shape of the vase at its attachments. Acanthus leaves enclose its trumpet foot, decorated with laurel garlands. A gilded bobèche rests on the mouth, thus giving the vase the function of a candlestick. The vase rests on a square base in Spanish brocatelle marble. Louis XVI period Used condition H. 25 cm
