### Description

Donatien-Alphonse-François marquis SADE  
(1740 - 1814), French novelist and philosopher

Autograph letter signed to his mother-in-law, the  
president of Montreuil. (Dungeon of Vincennes,  
May 25, 1778); 3 pages in-4°.

Beautiful letter before his transfer to  
Aix-en-Provence to be tried, where resentment  
against his mother-in-law, Madame de Montreuil,  
is mixed, but also pity and hope of emerging with  
dignity from this infamous trial
