Description

Philippe LEDRU (1942), French
photographerBoulevard périphérique Paris July
1974Signed lithographic photo, numbered
11/12.Dimensions: 70 x 50 cmBusy departures
for the summer holidays on the Parisian ring road
in July 1974, at the start of the Saint Cloud
tunnel. Surreal vision of the crush of
holidaymakers where emblematic cars of this era
jostle, like the 4L or the R5, with risky cyclists
making their way between the cars... another era!
